The CanAm race in Ellicottville is being run again Saturday Dec 17. There will be 2 GS races (two runs each = 4 runs) that will be completed around lunch time followed by free BBQ lunch, beer and awards. Holiday Valley are extremely accommodating and they have a new race hill all ready to go . And all the costs of the race, lunch, beer and lift tickets are US\$65. Great deal.

Our American neighbors are fantastic hosts and this was a great time when we ran it two years ago, (last year was cancelled due to lack of snow). It was very successful and a lot of fun; we want to keep growing the race. The Americans are all pumped to hand our butts to us again!

The details:

1. You dont have to register, just show up. You do not need a US Masters card for this race
2. Register at the Training Center at 8 at Holiday Valley
3. All the costs of the race, lunch, beer and lift tickets are US\$65. Great deal.
4. We would like to know if you plan to go so we can provide the expected numbers to arrange food and beer.
5. Feedback to me or Paul Rodgers. Paul is the organizer I am just the pretty face helper.
